SYED ALI AHMAD RIZVI

FRONTEND DEVELOPER (REACT JS)

03234405025 | www.linkedin.com/in/syedaliahmadrizvi88 | aliahmadrizvi88@gmail.com

SUMMARY

Motivated and detail-oriented Software Engineering graduate with a strong foundation in full-stack web development. Completed a hands-on frontend development internship, contributed to multiple self-driven projects, and acquired solid experience in React.js, Node.js, and RESTful APIs. Demonstrates strong problem-solving skills, code quality standards, and a keen interest in building scalable, user-centric web applications. Actively seeking a junior software development role to contribute and grow in a dynamic tech environment.

TECHNICAL SKILLS

HTML CSS	React JS (Context API etc.)	Node.js & Express.js
Tailwind, GitHub	Redux/Redux Toolkit	MongoDB
Javascript	Canva	

PROFESSIONAL EXPERIENCE

Frontend Development Intern - PureLogics   **April 2023 - July 2025**
- Designed and developed interactive UI components using React.js and Tailwind CSS.
- Integrated frontend components with backend REST APIs to deliver seamless user experiences.
- Participated in daily stand-ups, sprint planning, and code reviews in an Agile team setting.
- Contributed to improving UI responsiveness and reducing page load times across the product.

EDUCATION

Bachelor of Science in Software Engineering   **Oct 2020 - Dec 2024**
University of Central Punjab
- Major in SE, SRE, Web, Mobile Dev
- Final Year Project: Paperhub.pk Ecommerce website

PROJECTS

Real-Time Chat Application   **GitHub**
Feature-rich chat platform inspired by WhatsApp using React, Redux, and Socket.io.
- Enabled real-time messaging, online/offline tracking, chat search, and user blocking.
- Designed a mobile-responsive chat UI with media sharing and profile customization.
